ARTICLE II

THE LOAN

2.1 Commitment. The Lender agrees, on the terms and conditions set forth in this Agreement, to make the Loan to Borrower in an amount not to exceed the amount of the Commitment. Borrower may from time to time prepay all or a portion of the Loan pursuant to Section 2.7. Borrower shall not have the right to reborrow any portion of the Loan after a prepayment. To the extent the amount of the Loan is less than the Commitment, Lender shall have no obligation to make any further advances or loans pursuant to this Agreement.

2.2 Required Payments; Termination. The Outstanding Loan to Borrower and all other unpaid Obligations of Borrower shall be paid in full by Borrower on the Maturity Date.

2.3 [Intentionally Omitted].

2.4 Type of Loan. The Loan may be a Floating Rate Loan or Eurodollar Loan, or a combination thereof, as selected by Borrower in accordance with Sections 2.8 and 2.9.

2.5 Facility Fee. On the Closing Date, Borrower agrees to pay to the Lender the Facility Fee.

2.6 Minimum Amount of Each Type of Loan. Each Type of Loan selected by Borrower for the Loan or any portion thereof in accordance with Sections 2.8 and 2.9 shall be in the amount of \$10,000,000 or a higher integral multiple of \$1,000,000.

2.7 Prepayments.

(a) Voluntary. Borrower may from time to time prepay, without penalty or premium, all portions of the Outstanding Loan which is a Floating Rate Loan in the amount of \$10,000,000 or a higher integral multiple of \$1,000,000, upon one Business Day's prior notice to the Lender. Borrower may from time to time prepay, all portions of the Outstanding Loan which is a Eurodollar Loan in the amount of \$10,000,000 or a higher integral multiple of \$1,000,000, upon three Business Days' prior notice to the Lender.

(b) Any prepayment of any portion of the Outstanding Loan while it is a Eurodollar Loan shall be without premium or penalty but shall be subject to the payment of any funding indemnification amounts covered by Section 3.4.

2.8 Method of Selecting Types and Interest Periods for the Loan. On the Borrowing Date, in the case of Floating Rate Loans, and three Business Days' prior to the Borrowing Date, in the case of Eurodollar Loans, Borrower shall designate the Type of Loan for all or any portion of the Loan and, in the case of any portion of the Loan designated as a Eurodollar Loan, the Interest Period applicable thereto. The Borrower shall give the Lender irrevocable notice (a "Borrowing Notice") not later than 10:00 a.m. (New York time) on the Borrowing Date, in the case of Floating Rate Loans, and three Business Days prior to the Borrowing Date, in the case of Eurodollar Loans, designating whether the Loan or any portion thereof shall be a Floating Rate Loan or a Eurodollar Loan, specifying:

- (i) the Type of Loan selected for all or any portion of the Loan and the aggregate amount of each Type of Loan, and
- (ii) in the case of any portion of the Loan which is a Eurodollar Loan, the Interest Period applicable thereto.

On the Borrowing Date, the Lender shall make available the Loan in funds immediately available in New York to Borrower at its address specified pursuant to Article XIII.

2.9 Conversion and Continuation of the Outstanding Loan. The Loan (or any portion thereof), if bearing interest at the Floating Rate, shall continue as a Floating Rate Loan unless and until such Loan or portion thereof is converted into a Eurodollar Loan pursuant to this Section 2.9 or is repaid in accordance with Section 2.7. The Loan (or any portion thereof), if bearing interest at the Eurodollar Rate, shall continue as a Eurodollar Loan until the end of the then applicable Interest Period therefor, at which time such Loan or portion thereof shall be automatically converted into a Floating Rate Loan unless (x) such portion of the Loan while it is a Eurodollar Loan is or was repaid in accordance with Section 2.7 or (y) the Borrower shall have given the Lender a Conversion/Continuation Notice requesting that, at the end of such Interest Period, such Loan or portion thereof continue as a Eurodollar Loan for a subsequent Interest Period. Subject to the terms of Section 2.6 Borrower may elect from time to time to convert all or any part of the Loan from a Floating Rate Loan into a Eurodollar Loan. Borrower shall

give the Lender irrevocable notice (a “Conversion/Continuation Notice”) of each conversion of the Loan or any portion thereof from a Floating Rate Loan into a Eurodollar Loan or continuation of the Loan or any portion thereof as a Eurodollar Loan not later than 10:00 a.m. (New York time) at least three Business Days prior to the date of the requested conversion or continuation, specifying:

- (i) the requested date, which shall be a Business Day, of such conversion or continuation,
- (ii) the aggregate amount and Type of the Loan which is to be converted or continued, and
- (iii) the amount of the Loan which is to be converted into or continued as a Eurodollar Loan and the duration of the Interest Period applicable thereto.

2.10 Changes in Interest Rate, etc. The Loan (or any portion thereof), if bearing interest at the Floating Rate shall bear interest on the outstanding principal amount thereof, for each day from the date such Loan is made or is converted from a Eurodollar Loan into a Floating Rate Loan pursuant to Section 2.9 to the date it is paid or is converted into a Eurodollar Loan pursuant to Section 2.9, at a rate per annum equal to the Alternate Base Rate for such day. Changes in the rate of interest on that portion of the Loan maintained as a Floating Rate Loan will take effect simultaneously with each change in the Alternate Base Rate. The Loan (or any portion thereof), if bearing interest at the Eurodollar Rate, shall bear interest on the outstanding principal amount thereof from the first day of each Interest Period applicable thereto to the last day of such Interest Period at the Eurodollar Rate applicable to such portion of the Loan based upon the Borrower’s selections under Sections 2.8 and 2.9 and otherwise in accordance with the terms hereof.

2.11 Rates Applicable After Default. Notwithstanding anything to the contrary contained in Section 2.8 or 2.9, during the continuance of a Default or Unmatured Default the Required Lenders may, at its option, by notice to Borrower (which notice may be revoked at the option of the Required Lenders), declare that no portion of the Loan to Borrower may be converted into or continued as a Eurodollar Loan. During the continuance of a Default, the Required Lenders may, at its option, by notice to Borrower (which notice may be revoked at the option of the Required Lender notwithstanding any provision of Section 8.2 requiring unanimous consent of the Lender and all Purchasers to changes in interest rates), declare that (i) the Loan (or any portion thereof), if bearing interest at the Eurodollar Rate, shall bear interest for the remainder of the applicable Interest Period at the rate otherwise applicable to such Interest Period plus 2% per annum and (ii) the Loan (or any portion thereof), if bearing interest at the Floating Rate, shall bear interest at a rate per annum equal to the Alternate Base Rate in effect from time to time plus 2% per annum, provided that during the continuance of a Default under Section 7.6 or 7.7 with respect to Borrower, the interest rates set forth in clauses (i) and (ii) above shall be applicable to the Outstanding Loan to Borrower without any election or action on the part of the Lender.

2.12 Method of Payment. All payments of the Obligations hereunder shall be made, without setoff, deduction, or counterclaim, in immediately available funds to the Lender at the Lender’s address specified pursuant to Article XIII, or at any other office of the Lender specified in writing by the Lender to Borrower by noon (New York time) on the date when due.

2.13 Evidence of Indebtedness. (a) The Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of Borrower to the Lender resulting from the Loan made by the Lender to Borrower from time to time, including the amounts of principal and interest payable and paid to the Lender from time to time hereunder.

(b) The entries maintained in the accounts maintained pursuant to clause (a) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided that the failure of the Lender to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations of Borrower in accordance with their terms.

(c) If requested by the Lender, the Loan to Borrower shall be evidenced by a Note in the form annexed hereto as Exhibit B. Thereafter, the Loan evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.3) be represented by one or more Notes payable to the order of the payee named therein or any assignee pursuant to Section 12.3.

2.14 Telephonic Notices. Borrower hereby authorizes the Lender to convert or continue the Loan and to transfer funds based on telephonic notices made by any Person the Lender in good faith believes to be acting on behalf of Borrower, it being understood that the foregoing authorization is specifically intended to allow Borrowing Notices and Conversion/Continuation Notices to be given telephonically. Borrower agrees that upon the request of the Lender, Borrower will deliver promptly to the Lender a written confirmation signed by an Authorized Officer of Borrower, of each telephonic notice given by Borrower pursuant to the preceding sentence. If the written confirmation differs in any material respect from the action taken by the Lender, the records of the Lender shall govern absent manifest error. Borrower consents to the Lender recording any such telephone conversations with Borrower.

2.15 Interest Payment Dates; Interest and Fee Basis. Interest accrued while the Loan (or any portion thereof) is a Floating Rate Loan shall be payable on each Payment Date, on any date on which such Loan (or any portion thereof) is prepaid, whether due to acceleration or otherwise, and at maturity. If any portion of the Loan is converted from a Floating Rate Loan into a Eurodollar Loan on a day other than a Payment Date, all accrued interest thereon shall be payable on the date of conversion. Interest accrued on the Loan (or any portion thereof) which is a Eurodollar Loan shall be payable on the last day of its applicable Interest Period (and, in the case of a six-month Interest Period, on the day which is three months after the first day of such Interest Period), on any date on which such Eurodollar Loan is prepaid, whether by acceleration or otherwise, and at maturity. Interest on the Loan (or any portion thereof) while it is a Floating Rate Loan and is bearing interest at the Prime Rate shall be calculated for actual days elapsed on the basis of a 365-day year or, when appropriate, 366-day year. All other interest and all fees shall be calculated for actual days elapsed on the basis of a 360-day year. Interest shall be payable for the day the Loan is made but not for the day of any payment on the amount paid if payment is received prior to noon (New York time) at the place of payment. If any payment of principal or interest on the Loan shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment; provided, however, if such next succeeding Business Day is in the next calendar month, such payment shall be made on the next preceding Business Day.

ARTICLE III

YIELD PROTECTION; TAXES

3.1 Yield Protection. If, on or after the date of this Agreement, the adoption of any law or any governmental or quasi-governmental rule, regulation, policy, guideline or directive (whether or not having the force of law), or any change in the interpretation or administration thereof by any governmental or quasi-governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Lender with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

- (i) subjects the Lender to any Taxes or changes the basis of taxation of payments (other than with respect to Excluded Taxes) to the Lender in respect of any Eurodollar Loan, or
- (ii) imposes or increases or deems applicable any reserve, assessment, insurance charge, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, the Lender (other than reserves and assessments taken into account in determining the interest rate applicable to any Eurodollar Loan), or
- (iii) imposes any other condition the result of which is to increase the cost to the Lender of making, funding or maintaining any Eurodollar Loan or reduces any amount receivable by the Lender in connection with any Eurodollar Loan, or requires the Lender to make any payment calculated by reference to the amount of any Eurodollar Loan held or interest received by it, in each case by an amount deemed material by the Lender, and the result of any of the foregoing is to increase the cost to the Lender of maintaining any Eurodollar Loan or to reduce the return received by the Lender in connection with any Eurodollar Loan, then, within 15 days of demand by the Lender, Borrower shall pay Lender such additional amount or amounts as will compensate Lender for such increased cost or reduction in amount received.

3.2 Changes in Capital Adequacy Regulations. If Lender determines the amount of capital required or expected to be maintained by Lender or any corporation controlling Lender is increased as a result of a Change, then, within 15 days of demand by Lender, the Borrower shall pay Lender the amount necessary to compensate for any shortfall in the rate of return on the portion of such increased capital which Lender determines is attributable to this Agreement or the Loan outstanding hereunder (or participations therein). "Change" means (i) any change after the date of this Agreement in the Risk Based Capital Guidelines (as defined below) or (ii) any adoption of or change in any other law, governmental or quasi-governmental rule, regulation, policy, guideline, interpretation, or directive (whether or not having the force of law) after the date of this Agreement which affects the amount of capital required or expected to be maintained by Lender or any corporation controlling Lender. "Risk Based Capital Guidelines" means (i) the risk based capital guidelines in effect in the United States on the date of this Agreement, including transition rules, and (ii) the corresponding capital regulations promulgated by regulatory authorities outside the United States implementing the July 1988 report of the Basle Committee on Banking Regulation and Supervisory Practices Entitled "International Convergence of Capital Measurements and Capital Standards," including transition rules, and any amendments to such regulations adopted prior to the date of this Agreement.

3.3 Availability of Type of Loan. If Lender determines that maintenance of any portion of the Loan as a Eurodollar Loan would violate any applicable law, rule, regulation, or directive, whether or not having the force of law, or if the Lender determines that (i) deposits of a type and maturity appropriate to match fund any portion of the Loan maintained as a Eurodollar Loan are not available or (ii) the

interest rate applicable to any portion of the Loan which is a Eurodollar Loan does not accurately reflect the cost of making or maintaining a Eurodollar Loan, then the Lender may suspend the availability of a Eurodollar Loan and require any affected portion of the Loan to be repaid or converted to a Floating Rate Loan, subject to the payment of any funding indemnification amounts required by Section 3.4.

3.4 Funding Indemnification. If any payment of a Eurodollar Loan occurs on a day which is not the last day of an Interest Period therefor, whether because of acceleration, prepayment or otherwise, or any portion of the Loan is not made or converted to a Eurodollar Loan on the date specified by Borrower for any reason other than default by the Lender, the Borrower will indemnify Lender for any loss or cost incurred by it resulting therefrom, including any loss or cost in liquidating or employing deposits acquired to fund or maintain any portion of the Loan as a Eurodollar Loan.

3.5 Taxes.

(i) All payments by the Borrower to or for the account of Lender hereunder or under any Note shall be made free and clear of and without deduction for any and all Taxes. If Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to Lender (a) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 3.5), Lender receives an amount equal to the sum it would have received had no such deductions been made, (b) Borrower shall make such deductions, (c) Borrower shall pay the full amount deducted to the relevant authority in accordance with applicable law and (d) Borrower shall furnish to the Lender the original copy of a receipt evidencing payment thereof within 30 days after such payment is made.

(ii) In addition, Borrower hereby agrees to pay any present or future stamp or documentary taxes and any other excise or property taxes, charges or similar levies which arise from any payment made by it hereunder or under any Note or from its execution or delivery of, or otherwise attributable to Borrower in connection with, this Agreement or any Note ("Other Taxes").

(iii) Borrower hereby agrees to indemnify Lender for the full amount of Taxes or Other Taxes (including any Taxes or Other Taxes imposed on amounts payable under this Section 3.5) paid by Lender and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. Payments due under this indemnification shall be made within 30 days of the date Lender makes demand therefor pursuant to Section 3.6.

(iv) If, at any time, Lender or any Purchaser is not incorporated under the laws of the United States of America or a state thereof (a "Non-U.S. Lender"), such Non-U.S. Lender agrees that it will, not less than ten Business Days after the date of this Agreement or the date that it becomes a Purchaser, (i) deliver to Borrower two duly completed copies of United States Internal Revenue Service Form W-8BEN or W-8ECI certifying in either case that the Non-U.S. Lender is entitled to receive payments under this Agreement without deduction or withholding of any United States federal income taxes, and (ii) deliver to Borrower a United States Internal Revenue Form W-8BEN or W-9, as the case may be, and certify that it is entitled to an exemption from United States backup withholding tax. Each Non-U.S. Lender further undertakes to deliver to Borrower (x) renewals or additional copies of such form (or any successor form) on or before the date that such form expires or becomes obsolete, and (y) after the occurrence of any event requiring a change in the most recent forms so delivered by it, such additional forms or amendments thereto as may be reasonably requested by Borrower. All forms or amendments described in the preceding sentence shall certify that the Non-U.S. Lender is entitled to receive payments under this Agreement without deduction or withholding of any United States federal income taxes, *unless* an event (including any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required which renders all such forms inapplicable or which would prevent

the Non-U.S. Lender from duly completing and delivering any such form or amendment with respect to it and the Non-U.S. Lender advises Borrower that it is not capable of receiving payments without any deduction or withholding of United States federal income tax.

(v) For any period during which Lender or any Purchaser is deemed to be a Non-U.S. Lender and has failed to provide Borrower with an appropriate form pursuant to clause (iv) above (unless such failure is due to a change in treaty, law or regulation, or any change in the interpretation or administration thereof by any governmental authority, occurring subsequent to the date on which a form originally was required to be provided), Borrower shall not be required to increase any amount payable to such Non-U.S. Lender pursuant to Section 3.5(i)(a) or to otherwise indemnify such Non-U.S. Lender under this Section 3.5 with respect to Taxes imposed by the United States; provided that, should a Non-U.S. Lender which is otherwise exempt from or subject to a reduced rate of withholding tax become subject to Taxes because of its failure to deliver a form required under clause (iv) above, Borrower shall take such steps as such Non-U.S. Lender shall reasonably request to assist such Non-U.S. Lender to recover such Taxes.

(vi) If Lender or any Purchaser is entitled to an exemption from or reduction of withholding tax with respect to payments under this Agreement or any Note pursuant to the law of any relevant jurisdiction or any treaty, such Lender or Purchaser shall deliver to the Borrower, at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate.

3.6 Mitigation of Circumstances; Lender Statements; Survival of Indemnity. Lender shall promptly notify the Borrower of any event of which it has knowledge which will result in, and will use reasonable commercial efforts available to it (and not, in Lender's good faith judgment, otherwise disadvantageous to Lender) to mitigate or avoid, (i) any obligation of Borrower to pay any amount pursuant to Section 3.1, 3.2 or 3.5 and (ii) the unavailability of Eurodollar Loans under Section 3.3 (and, if Lender has given notice of any such event described above and thereafter such event ceases to exist, Lender shall promptly so notify the Borrower). If Lender claims compensation under Section 3.1, 3.2, 3.4, or 3.5, Lender shall deliver a written statement to the Borrower as to the amount due under the applicable Section, which statement shall set forth in reasonable detail the calculations upon which Lender determined such amount and shall be final, conclusive and binding on Borrower in the absence of manifest error. Determination of amounts payable under any such Section in connection with a Eurodollar Loan shall be calculated as though Lender funded its Eurodollar Loan through the purchase of a deposit of the type and maturity corresponding to the deposit used as a reference in determining the Eurodollar Rate applicable to such Loan, whether in fact that is the case or not. Unless otherwise provided herein, the amount specified in the written statement of Lender shall be payable on demand after receipt by the Borrower of such written statement. Notwithstanding any other provision of this Article III, if Lender fails to notify Borrower of any event or circumstance which will entitle Lender to compensation from Borrower pursuant to Section 3.1, 3.2 or 3.5 within 60 days after Lender obtains knowledge of such event or circumstance, then Borrower will not be responsible for any such compensation arising prior to the 60th day before Borrower receives notice from Lender of such event or circumstance. The obligations of the Borrower under Sections 3.1, 3.2, 3.4 and 3.5 shall survive payment of the Obligations and termination of this Agreement.

3.7 [Intentionally Omitted].

ARTICLE IV

CONDITIONS PRECEDENT

4.1 Conditions Precedent to Making the Loan. The obligation of the Lender to make the Loan hereunder is subject to the conditions precedent that the Lender has received (a) all fees and (to the extent billed) expenses which are payable on or before the Borrowing Date to Lender or in connection herewith have been (or concurrently with the making of the Loan will be) paid in full; and (b) each of the following documents:

4.3 [Intentionally Omitted].

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants to the Lender that:

5.1 **Existence and Standing.** Borrower is a corporation, and each of its Subsidiaries is a corporation, partnership or limited liability company, duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction (or, if applicable, jurisdictions) of incorporation or organization and has all requisite authority to conduct its business in each jurisdiction in which its business is conducted, except where failure to do so could not reasonably be expected to have a Material Adverse Effect with respect to Borrower.

5.2 **Authorization and Validity.** Borrower has the power and authority and legal right to execute and deliver the Loan Documents to which it is a party and to perform its obligations thereunder. The execution and delivery by Borrower of the Loan Documents to which it is a party and the performance of its obligations thereunder have been duly authorized by proper corporate proceedings, and the Loan Documents to which Borrower is a party constitute legal, valid and binding obligations of Borrower enforceable against Borrower in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5.3 **No Conflict; Government Consent.** Neither the execution and delivery by Borrower of the Loan Documents to which it is a party, nor the consummation of the transactions therein contemplated, nor compliance with the provisions thereof, will violate (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on Borrower or any of its Subsidiaries or (ii) Borrower's or any of its Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, bylaws, or operating or other management agreement, as the case may be, or (iii) the provisions of any indenture, instrument or agreement to which Borrower or any of its Significant Subsidiaries is a party or is subject, or by which it, or its Property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any Lien in, of or on any Property of Borrower or any of its Significant Subsidiaries pursuant to the terms of any such indenture, instrument or agreement. Except for an appropriate order of the SEC under PUHCA, which has been issued and is in full force and effect (and copies of which have been delivered to the Lender), no order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any governmental or public body or authority (including the Federal Energy Regulatory Commission), or any subdivision thereof, is required to be obtained by Borrower or any of its Subsidiaries in connection with the execution and delivery by Borrower of the Loan Documents to which it is a party, the payment and performance by Borrower of its Obligations or the legality, validity, binding effect or enforceability against Borrower of any Loan Document to which Borrower is a party or the borrowings by Borrower under this Agreement.

5.4 **Financial Statements.** The financial statements included in Borrower's Public Reports were prepared in accordance with Agreement Accounting Principles and fairly present the consolidated financial condition and operations of Borrower and its Subsidiaries at the dates thereof and the consolidated results of their operations for the periods then ended.

5.5 **No Material Adverse Change.** Since December 31, 2003, there has been no change from that reflected in the Public Reports in the business, Property, financial condition or results of operations

of Borrower and its Subsidiaries taken as a whole which could reasonably be expected to have a Material Adverse Effect with respect to Borrower.

5.6 Taxes. Borrower and its Subsidiaries have filed all United States federal tax returns and all other material tax returns which are required to be filed and have paid all taxes due pursuant to said returns or pursuant to any assessment received by Borrower or any of its Subsidiaries, except (a) such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with Agreement Accounting Principles and (b) taxes and governmental charges (in addition to those referred to in clause (a)) in an aggregate amount not exceeding \$1,000,000. The charges, accruals and reserves on the books of Borrower and its Subsidiaries in respect of any taxes or other governmental charges are adequate.

5.7 Litigation and Contingent Obligations. Except as disclosed in the Public Reports, there is no litigation, arbitration, governmental investigation, proceeding or inquiry pending or, to the knowledge of Borrower, threatened against or affecting Borrower or any of its Subsidiaries which could reasonably be expected to have a Material Adverse Effect with respect to Borrower or which seeks to prevent, enjoin or delay the making of the Loan. Other than any liability incident to any litigation, arbitration or proceeding which could not reasonably be expected to have a Material Adverse Effect with respect to Borrower, Borrower has no material contingent obligations not provided for or disclosed in the Public Reports.

5.8 Significant Subsidiaries. Schedule 2 contains an accurate list of all Significant Subsidiaries of Borrower setting forth their respective jurisdictions of organization and the percentage of their respective capital stock or other ownership interests owned by Borrower or other Subsidiaries of Borrower. All of the issued and outstanding shares of capital stock or other ownership interests of such Significant Subsidiaries have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and nonassessable.

5.9 ERISA. Each Plan complies in all material respects with all applicable requirements of law and regulations, no Reportable Event has occurred with respect to any Plan, neither Borrower nor any other member of the Controlled Group has withdrawn from any Plan or initiated steps to do so, and no steps have been taken to reorganize or terminate any Plan.

5.10 Accuracy of Information. No written information, exhibit or report furnished by Borrower or any of its Subsidiaries to the Lender in connection with the negotiation of, or compliance with, the Loan Documents to which Borrower is a party contained any material misstatement of fact or omitted to state a material fact or any fact necessary to make the statements contained therein not misleading.

5.11 Regulation U. Margin stock (as defined in Regulation U of the FRB) constitutes less than 25% of the value of those assets of Borrower and its Subsidiaries which are subject to any limitation on sale, pledge, or other restriction hereunder.

5.12 Material Agreements. Neither Borrower nor any Subsidiary thereof is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement to which it is a party, which default could reasonably be expected to have a Material Adverse Effect with respect to Borrower.

5.13 Compliance With Laws. Borrower and its Subsidiaries have complied with all applicable statutes, rules, regulations, orders and restrictions of any domestic or foreign government or any

instrumentality or agency thereof having jurisdiction over the conduct of their respective businesses or the ownership of their respective Property except for any failure to comply with any of the foregoing which could not reasonably be expected to have a Material Adverse Effect.

5.14 Plan Assets; Prohibited Transactions. Borrower is not an entity deemed to hold “plan assets” within the meaning of 29 C.F.R. § 2510.3-101 of an employee benefit plan (as defined in Section 3(3) of ERISA) which is subject to Title I of ERISA or any plan (within the meaning of Section 4975 of the Code), and neither the execution of this Agreement nor the making of the Loan to Borrower hereunder gives rise to a prohibited transaction within the meaning of Section 406 of ERISA or Section 4975 of the Code.

5.15 Environmental Matters. In the ordinary course of its business, the officers of Borrower consider the effect of Environmental Laws on the business of Borrower and its Subsidiaries, in the course of which they identify and evaluate potential risks and liabilities accruing to Borrower and its Subsidiaries due to Environmental Laws. On the basis of this consideration, Borrower has concluded that Environmental Laws are not reasonably expected to have a Material Adverse Effect with respect to Borrower. Neither Borrower nor any Subsidiary thereof has received any notice to the effect that its operations are not in material compliance with any of the requirements of applicable Environmental Laws or are the subject of any federal or state investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which noncompliance or remedial action could reasonably be expected to have a Material Adverse Effect with respect to Borrower.

5.16 Investment Company Act. Neither Borrower nor any Subsidiary thereof is an “investment company” or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940.

5.17 Public Utility Holding Company Act. Borrower is a “holding company” within the meaning of PUHCA.

- (v) Promptly upon the filing thereof, copies of all registration statements and annual, quarterly, monthly or other regular reports which Borrower or any of its Subsidiaries files with the SEC.

ARTICLE VIII

ACCELERATION, WAIVERS, AMENDMENTS AND REMEDIES

8.1 Acceleration. If any Default described in Section 7.6 or 7.7 occurs with respect to Borrower, the Obligations of Borrower shall immediately become due and payable without any election or action on the part of the Lender. If any other Default occurs with respect to Borrower, the Required Lenders may declare the Obligations of Borrower to be due and payable, whereupon the Obligations of Borrower shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which Borrower hereby expressly waives.

If, within 30 days after acceleration of the maturity of the Obligations of Borrower as a result of any Default (other than any Default as described in Section 7.6 or 7.7) with respect to Borrower and before any judgment or decree for the payment of the Obligations due shall have been obtained or entered, the Required Lenders (in their sole discretion) may, by notice to Borrower, rescind and annul such acceleration.

8.2 Amendments. Subject to the provisions of this Article VIII, the Required Lenders and the Borrower may enter into agreements supplemental hereto for the purpose of adding or modifying any provisions to this Agreement changing in any manner the rights of the Lender or Borrower hereunder or waiving any Default or Unmatured Default hereunder; provided that no such supplemental agreement shall, without the consent of the Lender together with all Purchasers permitted under Section 12.3 hereof:

- (i) Extend the final maturity of the Loan or forgive all or any portion of the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon.

- (iv) Amend this Section 8.2.

8.3 Preservation of Rights. No delay or omission of the Lender to exercise any right under the Loan Documents shall impair such right or be construed to be a waiver of any Default or Unmatured Default or an acquiescence therein, and the making of the Loan notwithstanding the existence of a Default or Unmatured Default or the inability of the Borrower to satisfy the conditions precedent to the Loan shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right, and no waiver, amendment or

other variation of the terms, conditions or provisions of any Loan Document whatsoever shall be valid unless in writing signed by the parties required pursuant to Section 8.2 and then only to the extent in such writing specifically set forth. All remedies contained in the Loan Documents or by law afforded shall be cumulative and all shall be available to the Lender until the Obligations have been paid in full.

ARTICLE IX

GENERAL PROVISIONS

9.2 Governmental Regulation. Anything contained in this Agreement to the contrary notwithstanding, the Lender shall not be obligated to extend credit to Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

9.3 Headings. Section headings in the Loan Documents are for convenience of reference only, and shall not govern the interpretation of any of the provisions of the Loan Documents.

9.4 Entire Agreement. The Loan Documents embody the entire agreement and understanding between the Borrower and the Lender and supersede all prior agreements and understandings between the Borrower and the Lender relating to the subject matter thereof.

9.5 Benefits of this Agreement. This Agreement shall not be construed so as to confer any right or benefit upon any Person other than the parties to this Agreement and their respective successors and assigns.

Borrower agrees to reimburse the Lender for all reasonable costs, internal charges and out of pocket expenses (including reasonable attorneys' fees and time charges of attorneys for the Lender which attorneys may be employees of the Lender) paid or incurred by the Lender in connection with any amendment or modification of the Loan Documents, and the collection and enforcement of the Obligations of Borrower under the Loan Documents (including in any "work-out" or restructuring of the Obligations of Borrower resulting from the occurrence of a Default with respect to Borrower).

(ii) Borrower agrees to indemnify the Lender, its affiliates, and each of the directors, officers and employees of the foregoing Persons (collectively, the "Indemnified Parties") against all losses, claims, damages, penalties, judgments, liabilities and reasonable expenses (including all reasonable expenses of litigation or preparation therefor whether or not any Indemnified Party is a party thereto) which any of them may pay or incur arising out of or relating to this Agreement, the other Loan Documents, the transactions contemplated hereby or the direct or indirect application or proposed application of the proceeds of the Loan hereunder except to the extent that they are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Indemnified Party seeking indemnification. The obligations of the Borrower under this Section 9.6 shall survive the termination of this Agreement.

9.7 [Intentionally Omitted].

9.8 [Intentionally Omitted].

9.9 Severability of Provisions. Any provision in any Loan Document that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

9.10 Nonliability of Lender. The relationship between the Borrower on the one hand and the Lender on the other hand shall be solely that of borrower and lender. The Lender shall not have any fiduciary responsibility to Borrower. The Lender undertakes no responsibility to Borrower to review or inform Borrower of any matter in connection with any phase of Borrower's business or operations. Borrower agrees that the Lender shall not have liability to Borrower (whether sounding in tort, contract or otherwise) for losses suffered by Borrower in connection with, arising out of, or in any way related to, the transactions contemplated and the relationship established by the Loan Documents, or any act, omission or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that such losses resulted from the Lender's gross negligence or willful misconduct.. The Lender shall not have any liability with respect to, and Borrower hereby waives, releases and agrees not to sue for, any special, indirect or consequential damages suffered by Borrower in connection with, arising out of, or in any way related to the Loan Documents or the transactions contemplated thereby.

9.11 Limited Disclosure.

(i) Lender shall not disclose to any Person any Specified Information (as defined below) except to its, and its Affiliates', officers, employees, agents, accountants, legal counsel, advisors and other representatives who have a need to know such Specified Information in connection with the Loan. "Specified Information" means information that Borrower has furnished or in the future furnishes to the Lender in confidence, but does not include any such information that (a) is published in a source or otherwise becomes generally available to the public (other than through the actions of the Lender or any of its Affiliates, officers, employees, agents, accountants, legal counsel, advisors and other representatives in violation of this Agreement) or that is or becomes available to the Lender from a source other than Borrower, (b) without duplication with clause (a) above, is otherwise a matter of general public knowledge, (c) that is required to be disclosed by law, regulation, or judicial order (including pursuant to the Code), (d) that is requested by any regulatory body with jurisdiction over the Lender, (e) that is disclosed to legal counsel, accountants and other professional advisors to the Lender, in connection with the exercise of any right or remedy hereunder or under any Note or any suit or other litigation or proceeding relating to this Agreement or any Note or to a rating agency if required by such agency in connection with a rating relating to the Loan or (f) that is disclosed to assignees, participants or potential assignees or participants who agree to be bound by the provisions of this Section 9.11.

(ii) The provisions of this Section 9.11 supersede any confidentiality obligations of Lender relating to the Loan under any agreement between Borrower and the Lender.

9.12 Nonreliance. Lender hereby represents that it is not relying on or looking to any margin stock (as defined in Regulation U of the FRB) for the repayment of the Loan provided for herein.

9.13 [Intentionally Omitted].

9.14 USA PATRIOT ACT NOTIFICATION. The following notification is provided to the Borrower pursuant to Section 326 of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001:

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit or other financial services product. What this means for the Borrower: When the Borrower opens an account, if the Borrower is an individual, the Lender will ask for the Borrower's name, residential address, tax identification number, date of birth and other information that will allow the Lender to identify the Borrower, and, if the Borrower is not an individual, the Lender will ask for the Borrower's name, tax identification number, business address and other information that will allow the Lender to identify the Borrower. The Lender may also ask, if the Borrower is an individual, to see the Borrower's driver's license or other identifying documents, and, if the Borrower is not an individual, to see the Borrower's legal organizational documents or other identifying documents.

[INTENTIONALLY OMITTED]

ARTICLE XI

SETOFF

11.1 Setoff. In addition to, and without limitation of, any rights of the Lender under applicable law, if Borrower becomes insolvent, however evidenced, or any Default occurs with respect to Borrower, any and all deposits (including all account balances, whether provisional or final and whether or not collected or available) and any other Indebtedness at any time held or owing by Lender or any Affiliate of Lender to or for the credit or account of Borrower may be offset and applied toward the payment of the Obligations of Borrower owing to Lender, whether or not the Obligations, or any part thereof, shall then be due.

11.2 [Intentionally Omitted].

ARTICLE XII

BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

12.1 Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of the Borrower and the Lender and their respective successors and assigns, except that (i) Borrower shall not have the right to assign its rights or obligations under the Loan Documents and (ii) any assignment by Lender must be made in compliance with Section 12.3. The parties to this Agreement acknowledge that clause (ii) of the preceding sentence relates only to absolute assignments and does not prohibit assignments creating security interests, including any pledge or assignment by Lender of all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank; provided that no such pledge or assignment creating a security interest shall release the transferor Lender from its obligations hereunder unless and until the parties thereto have complied with the provisions of Section 12.3. Any assignee of the rights to the Loan or any Note agrees by acceptance

of such assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to the Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder or assignee of the rights to the Loan.

12.2 Participations.

12.2.1 Permitted Participants; Effect. Upon giving notice to but without obtaining the consent of Borrower, Lender may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more banks or other entities ("Participants") participating interests in any Obligations owing to Lender, any Note held by Lender, or any other interest of Lender under the Loan Documents. In the event of any such sale by a Lender of participating interests to a Participant, Lender's obligations under the Loan Documents shall remain unchanged, Lender shall remain solely responsible to the Borrower for the performance of such obligations, Lender shall remain the owner of the Obligations owing to Lender and the holder of any Note issued to it for all purposes under the Loan Documents, all amounts payable by Borrower under this Agreement shall be determined as if Lender had not sold such participating interests, and the Borrower shall continue to deal solely and directly with Lender in connection with Lender's rights and obligations under the Loan Documents.

12.2.2 Voting Rights. Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver which extends the final maturity of the Loan in which such Participant has an interest or forgives all or any portion of the principal amount thereof, or reduces the rate or extends the time of payment of interest thereon.

12.2.3 Benefit of Setoff. The Borrower agree that each Participant shall be deemed to have the right of setoff provided in Section 11.1 in respect of its participating interest in amounts owing under the Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as the Lender under the Loan Documents, provided that Lender shall retain the right of setoff provided in Section 11.1 with respect to the amount of participating interests sold to each Participant. The Lender agrees to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 11.1, agrees to share with Lender, any amount received pursuant to the exercise of its right of setoff.

12.3 Assignments.

12.3.1 Permitted Assignments. Lender may, in the ordinary course of its business and in accordance with applicable law, at any time assign to one or more banks or other entities ("Purchasers") all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit B or in such other form as may be agreed to by the parties thereto. Borrower's consent shall not be required for an assignment (i) to a Purchaser which is an Affiliate of the Lender, and (ii) to a Purchaser which is not an Affiliate of Lender provided such an assignment is in an amount not less than the lesser of (x) \$5,000,000 or (y) the amount of the Outstanding Loan. To the extent Borrower's consent is otherwise required to an assignment hereunder, Borrower agrees not to unreasonably withhold, delay or condition such consent.

12.3.2 Effect; Effective Date. Upon delivery of an Assignment Agreement to Borrower, the Assignment Agreement shall become effective on the effective date specified in such Assignment Agreement. On and after the effective date of such Assignment Agreement, such Purchaser shall for all purposes be a lender party to this Agreement and any other Loan Document executed by or on behalf of the Lender and shall have all the rights and obligations of the Lender under the Loan Documents with

respect to the percentage of the Obligations assigned to such Purchaser, to the same extent as if it were an original party hereto, and no further consent or action by the Borrower shall be required to release the Lender with respect to the percentage of the Obligations assigned to such Purchaser. Any Person that is at any time a Lender and that thereafter ceases to be a Lender pursuant to the terms of this Section 12.3.2 shall continue to be entitled to the benefit of those provisions of this Agreement that, pursuant to the terms hereof, survive the termination hereof. Upon the consummation of any assignment to a Purchaser pursuant to this Section 12.3.2, the Lender and the Borrower shall, if the Purchaser desires that its Loans be evidenced by Notes, make appropriate arrangements so that new Notes or, as appropriate, replacement Notes are issued to the Lender and new Notes or, as appropriate, replacement Notes, are issued to such Purchaser.

12.4 Dissemination of Information. The Borrower authorizes Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Loan Documents by operation of law (each a “Transferee”) and any prospective Transferee any and all information in Lender’s possession concerning the creditworthiness of the Borrower and their respective Subsidiaries, including any information contained in any Public Reports; provided that each Transferee and prospective Transferee agrees to be bound by Section 9.11 of this Agreement.

12.5 [Intentionally Omitted].

12.6 Tax Treatment. If any interest in any Loan Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 3.5(iv)

ARTICLE XIII

NOTICES

13.1 Notices. Except as otherwise permitted by Section 2.14, all notices, requests and other communications to any party hereunder shall be in writing (including facsimile transmission or, subject to Section 13.3, electronic mail or posting on a website) and shall, subject to the last paragraph of Section 6.1, be given to such party at (i) in the case of Borrower, its address, facsimile number or electronic mail address set forth on the signature pages hereof or such other address, facsimile number or electronic mail address as it may hereafter specify for such purpose by notice to the other parties hereto; and (ii) in the case of Lender, at the address, facsimile number or electronic mail address set forth on the signature pages hereof or such other address, facsimile number or electronic mail address as Lender may hereafter specify for such purpose by notice to the Borrower. Subject to the last paragraph of Section 6.1, each such notice, request or other communication shall be effective (i) if given by facsimile transmission, when transmitted to the facsimile number specified pursuant to this Section and confirmation of receipt is received, (ii) if given by mail, three Business Days after such communication is deposited in the mails with first class postage prepaid, addressed as aforesaid, or (iii) if given by any other means, when delivered (or, in the case of electronic mail, received) at the address specified pursuant to this Section; provided that notices to the Lender under Article II shall not be effective until received.

13.2 [Intentionally Omitted].

13.3 Limited Use of Electronic Mail. Electronic mail and internet and intranet websites may be used to distribute routine communications, such as financial statements and other information as provided in Section 6.1, and to distribute Loan Documents for execution by the parties thereto, but not for purposes of other notices hereunder.

ARTICLE XIV

This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. This Agreement shall be effective when it has been executed by the Borrower and the Lender. Delivery of any executed signature page hereof or of any amendment, waiver or consent to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually executed counterpart thereof.

ARTICLE XV

15.2 CONSENT TO JURISDICTION. BORROWER HEREBY IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR NEW YORK STATE COURT SITTING IN NEW YORK, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT, AND BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT AND IRREVOCABLY WAIVES ANY OBJECTION IT MAY NOW OR HEREAFTER HAVE AS TO THE VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN SUCH A COURT OR THAT SUCH COURT IS AN INCONVENIENT FORUM.
